

June 8, 2004

District 4-C4

PRESIDING Lion President Jim McLaughlin presided and Lion Roy Minor offered the invocation.

HEALTH Eleanor Knight, Lion David's wife, is convalescing from a stroke in Scotland - get well, enjoy Scotland. Sadly, Lion Dick Hatstrup's wife, Bobbi, is in hospital with cancer. Lion Dick - we're with you in spirit.

We celebrated the birthday of Lion Dean Johnson and, well, perhaps by hearing is changing, but I think we're starting to sound not so bad. Or perhaps it's the addition of Steve Padone's voice. What do you think?

HEAR YE! We received a number of letters thanking us for our recent donations. Lion President Jim reminded us that the Police and Fire Awards Raffle, which will bestow cruises on the Lovely Martha and magnums of bubbly, will be held at the Peninsula Council of Lions Meeting on Monday, June 28th. Even if you don't go, you can still participate in the raffle. See Lion Al for tickets. We have been given 150 tickets for a Stanford game and will have more on their distribution anon.

BIRTHDAYS

CONCOEURS D'ELEGANCE

The business was brisk at the penultimate Concoeurs meeting this week. There was a small tractor access crisis - hay, these things must be bigger than the Motor Pool tanks! And there were plenty of Camels nosing around the tent of the Field committee. Meanwhile, the field designers were looking for stalls for the last bunch of Camels. Well, the head of our pin is full - no more Angles; no more Camels. Our next meeting is the evening of Wednesday, the 9th, at the Mitchell Park Recreation Center on Middlefield.

CONCOEURS D'ELEGANCE

Lion Gil Gilfix walked us through a comparison between 2003 and 2004 Concoeurs. Income from sponsors, advertisers, commercial exhibitors and entrants is up by approximately 30%. We are advertising more than ever, and more economically than ever. Creative i has done a great job managing our advertising. And our web site received more than 1.4 million raw hits in the seven days preceding June 13th. Our four most popular directories are the Archives, the Newsletter, the 2004 show, and our Sponsors.

Lion Roy Riccetti gave us a tour of the field, which is going to have around 375 cars, including 10 Vipers, 9 super cars the slowest of which tops out at 197mph, another 15 race cars, 36 Ferraris, 35 Rolls, and a whole field of T-Birds.

Lion Al passed out assignment sheets for Saturday and Sunday. If you did not get one, or have not been assigned, or need to be reassigned, see Lion Al ASAP.

Finally, this year we're going to have a Concoeurs after party to be held after we're recovered at the home of Lion Tom and Susie Sutton. The date to be announced.

PAHL BOARDS

The Board voted to make a gift to the Antlerettes in memory of the mother of Lion Roger Stroud and to purchase an add in support of the District Officers Installation. The Diabetes Committee was also enlarged.

June 25 - Tom Antal of Creative i - our publicist here

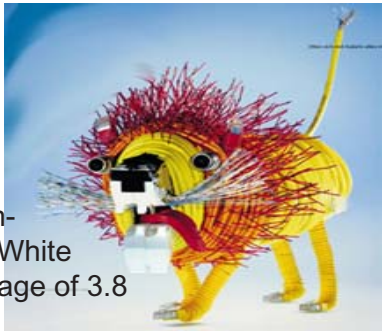

June 22 - Concoeurs Anticipation Day

June 26 - The Drive & The Dinner

June 27 - Concoeurs Day

Remember - save postage stamps from your mail! Bring them to the first meeting of the month.

Remember to bring fruit for Elizabeth Seton School.

DOOR PRIZE The Door Prize, a complete party in a bag, was donated by Nick Marinaro and won by Carole Martin. Future door prizes; June 15 - Bill Dowdney; June 22 - Nel Richmond.
