### Programs:

**April 27 California Mille and Car Show** at the San Francisco Fairmont. It was a very early 7:30 a.m. volunteers meeting time, the morning was pleasant and the day turned out to be a perfect day for a car show. All dressed up in the required Blue Blazer and slacks uniform all were ready to go. Special thanks to all volunteers, Bob Jacobson, Hal Schuette, Kathy & Steve Pedone, Joan Peterson, Wayne Saylor, Tom Sutton, Becky Schuette, Rhonda, Anne Steele and Nancy Schlegle . All took their places in their assigned responsibility, registration desk, traffic control and car placement. Cars flowed through and all went well. A humorous moment when it was discovered that a car needed to be towed, the owner laid down in front of her car hoping that would prevent the tow truck from taking her car. Too bad we didn't get a picture of that! The Fairmont provided us with and Danish for the early arrivals, later we enjoyed a nice buffet in the hotel. The afternoon was spent outside of the hotel where we had many beverage choices as well as pasta and dessert to enjoy "al fresco." Hal Schmidt

**May 3:Speaker:** Brian Schmidt, Committee for Green Foothills  
The purpose of the group is to protect & preserve the Peninsula Foothills as well as educate people on environmental issues & conservation.

Bobbie and Brian

Request for a cook supervisor at a charity barbeque June 7 in Palo Alto, for the Palo Alto Technical School.

The flag that flew over the Capitol in Washington has arrived for the St. Elizabeth Seton School. The Lions Club will present it May 27<sup>th</sup>, probably at 8:10 am assembly at the school.
