### WE SERVE

Fruit for Elizabeth Seton after school program.

Annual eye glass collection will be in March.

Collect used glasses from your friends and family we will box and deliver them to the State Lions Club eyeglass collection site where they will weighed and our club will be given credit for the number of pounds donated. They will be processed and sorted to be distributed to the needy locally and around the world.

## **Palo Alto Concours Update:**

### **Al Thomas is working on a *Time Line* project with all PAC managers.**

The Time line project identifies all PAC job elements, who is responsible for the successful completion and within what designated time.

This project will help spread the workload and also point out areas of concern which may need attention.

Subsequently we will prepare a new PAC org chart that we will share with all Palo Alto Lions.

### **The PAC Exec board is revising the Concours, Drive and Corral applications.**

These applications should be available on the Web by the end of this week. By February 1st we will mail out applications to the PAC list. For the first time we will also send the application to those folks who have converted to receiving communication from us via E-Mail. As the PAC E-mail list grows, our mailing expenses will decrease and our PAC communication will become more efficient and timely.

**By the Way, check out the PAC website, [www.paconcours.com](http://www.paconcours.com)**

### **Now is the time for action!**
